Meeting was called to order by President Webb. Second Vice President Lynda Richert led devotions with the title "Failed With Enthusiasm". She emphasized that we can face anything in life; we are familiar with failure but greater failure is to not try even though you fail. She challenged us to try with enthusiasm even if you fail; have the willingness to fail. She concluded that the greatest mistake in life is fearing that you make one.

President Webb and current attending officers led the initiation of new member Becky Trent.

Business meeting was called to order by President Webb; minutes and treasurer's report were reviewed and accepted as presented. President Webb gave the challenge to members to be thinking about how we can come up with new ideas or ways to add to our treasury for next year. Committee reports were shared; Second Vice President Lynda Richert presented the challenge that each member pay a dime for every teaching position they have held in their career. The challenge ended up with a total of \$48.00 collected from attending members. A World Fellowship handout on the history was distributed to members. Member Charlotte Betcher and President Webb reported that they had individually reviewed the rules and by laws for an noticed the discrepancy of the number of meetings. There are other updates that are needed and will be executed after the State meeting in June. The committee will meet this summer and bring the changes to the chapter for a vote. President Webb presented a power point of memories from 2014 to remind us of our history and past members and activities. Brags were given by several members.

Meeting was adjourned. The next meeting will be September 11, 2021 at Lucille's Roadhouse.

Respectfully Submitted,
