December 2019 Minutes and treasurer's report were discussed and approved as presented.

Vicki Hatton introduced our DKG scholarship winner, Allison Resendiz. A common thread throughout her application and her recommendations by her professors is that she will go the extra mile for projects, assignments, and helping other students. Allison has outstanding leadership qualities as she is involved in many organizations, plays piano at church regularly, holds down a part time job in an oil field office, attending school full time as well as raising her family of a 10 year old boy and a 5 year old girl. Allison thanked the group for the \$300 as it is a help in achieving her goal. Allison shared why teaching is her calling. She loves meeting people with life and teaching experience and enjoys visiting with them about their experiences. She shared that the Education Department at SWOSU has been great. She observed at Clinton and El Reno schools and completed her student teaching at Hinton splitting it for 6 weeks in 2nd grade and 6 weeks in 4th grade. Allison is originally from Weatherford.

Dr. Hibler, nominations committee member, presented the proposed the slate of new officers for 2020-2022 while making the motion for accepting it as presented. Member Vicki Hatton second. Motion accepted

First Vice President Marva Webb requested suggestions for ways that could make the meetings better. Alexia White suggested that the early meetings are better on Saturdays; maybe locate sitters for the younger potential members; getting the meetings started on time and get business done; concerns that younger educators are not getting involved and we need to think of ways to encourage participation. Marva will meet this summer with the new officers to get organized for the Fall.
